Questions Received:

Q: Would you consider the Quadex I&I Guard Family as approved grouts per Section 33 01 30.76 Part 2.1-C? Would you consider Quadex QM-1s as an approved equal per Section 33 01 30.76 Part 2.1-D? Would you consider Quadex Structure Guard an approved epoxy coating for per Section 33 01 30.76 Part 2.1-E? Would you consider Quadex Chimney Guard as an approved equal per Section 33 01 30.76 Part 2.1-F?

A. The proposed products must meet the requirements outlined in the contract specifications. Any alternate products the Contractor intends to use must be submitted for review and approval prior to commencement of work. Please note that alternate products will not be approved during the bidding phase.

Q: In the segment verification for the mainline CIPP it states that the mainlines are PVC. Can you verify this?

A. The mainlines in this project are all PVC material.
