Lawrence Police Department Citizen Academy

Concept:

The Lawrence Police Department's Citizen Academy is a contemporary concept in Law Enforcement-Community relations. The Lawrence Police Department Citizen Academy serves as a part of a continuing program to develop citizen awareness and understanding of the role of local law enforcement. It is important to understand that the Citizens Academy is **NOT** a "citizens on patrol" project, and participants receive absolutely **NO** special police powers, authority, or responsibility.

Challenge:

Our continuing challenge is to develop strategies that will increase the understanding of the role law enforcement plays in our community, and of the citizens we serve. The results will benefit our Department's effectiveness in assisting with problems. The Lawrence Police Department Citizen Academy functions as an added resource to the community to increase this understanding.

Goals:

In our continuing efforts to develop community awareness through education, the Lawrence Police Department Citizen Academy will produce better informed citizens with a deeper understanding of the Lawrence Police Department and the role law enforcement plays in the community. The Lawrence Police Department Citizen Academy will promote the concept of ***Together Everyone Achieves More***. This will create better teamwork and cooperation between the Lawrence Police Department and the citizens we serve.

Program:

The Lawrence Police Department Citizen Academy is an 11-week program. The program consists of weekly 3-hour classes that include lectures, hands-on learning and role-playing scenarios. Citizens will be ***required*** to complete a ride-along with a patrol officer. This program will provide an overview of the professional training that Lawrence Police Department officers receive and how we function to provide the highest level of service and protection to the community. Participants must be at least 21 years old prior to the start of the Citizens Academy.

Focus:

Graduates of the Lawrence Police Department Citizen Academy will gain an improved understanding of the Lawrence Police Department's policing function and will be able to better assist officers in identifying and resolving problems in their community. This will improve the efficiency of the Lawrence Police Department and raise the quality of life enjoyed by citizens of the community.

AGENDA

Tentative agenda of topics to be covered. Some variance may be necessary to accommodate guest speakers. You must be at least 21 years old prior to the start of the Citizens Academy to participate.

Thank you for your interest in the City of Lawrence Police Department's Annual Citizens Academy. Below you will find the anticipated agenda of topics to be covered during our Citizens Academy. There may be some variance in the order of topics, due to instructor availability; however the class *WILL* meet regularly as scheduled each Thursday evening from 6 pm-9 pm, at the Lawrence Police Department Craig Herbert Community Training Room, located at 5150 N. Post Rd.

At the first meeting, we will start scheduling you for your ride-a-longs with a uniformed Lawrence Police Officer. This can be scheduled at mutual convenience for you and the officers participating. Your class coordinator will assist you on the first day with scheduling your ride-a-long.

Personal Appearance, Dress Code and Behavior Policy

As a condition for obtaining permission to accompany an employee of the Lawrence Police Department and in addition to the stipulations set forth in the "Assumption of Risk",

I, _____, do hereby agree to conform to the following policy adopted by the Lawrence Police Department.

It is further understood that violation of any part of this policy will result in the immediate revocation of permission to accompany an employee of the Lawrence Police Department.

Personal Appearance:

All civilian citizen academy attendees, and passengers in police vehicles, should present a neat and clean appearance, not excessive, ragged, unkempt, or extreme in appearance.

Dress Code:

All attendees and passengers must wear a shirt or blouse with collar and sleeves, which will remain either tucked in or cover the mid-section at all times. Trousers must be full length, skirts or dresses must extend at least to the kneecap. Denim is acceptable, provided (as with all garments) there is no fraying, tears, or inappropriate, unprofessional appearance.
